

user initials \_\_\_\_\_ **BagJump** is considered the most state of the art, action sports training device in the world. It is an enormous 50'x50' cushion for your landing rather than a snow surface. It is designed to eliminate the "trampoline effect" and impacts are absorbed with maximum softness. Freestyle skiers and snowboarders require appropriate speed, height and velocity. Boreal's BagJump is designed to provide a training venue to progress your ability and skills.

user initials \_\_\_\_\_ **REQUIRED:** Each day your first jump into the Boreal BagJump **MUST** be a straight air.

**PROGRESSION IS KEY! YOU ARE IN CONTROL!**

user initials \_\_\_\_\_ Start on smaller features and work your way up. The Boreal BagJump is a Terrain Park Feature and should only be used by those that have progressed and are riding/skiing within their skill level. Develop your skills on Small, Medium and Large features before progressing to Extra Large features.

user initials \_\_\_\_\_ It is the your duty/obligation to inspect and ensure your skis/snowboard are in proper working order, with NO broken or sharp edges.

**ATML Model – Know the 4 Zones and have a plan before using any freestyle terrain**

user initials \_\_\_\_\_ **APPROACH** zone is space for setting your speed and stance to use the feature. Approach the BagJump take-off for your chosen maneuver as you would for any other similarly sized and shaped take-off.

user initials \_\_\_\_\_ **TAKE-OFF** zone is for making moves that start your maneuver.

user initials \_\_\_\_\_ **MANEUVER** zone is for controlling your body in the air and setting up for landing. Maintain control through your maneuver as you aim for the landing zone.

user initials \_\_\_\_\_ **LANDING** zone is center of the BagJump. On impact with landing zone allow your momentum to carry you, rolling your body into the BagJump to allow maximum transfer of your landing energy as the BagJump deflates.

I and/or my child (collectively, "I," "me," or "my") have voluntarily chosen to use the Boreal Bag Jump and all related activities (collectively, the "Bag Jump"). I understand and agree that use of the Bag Jump can be HAZARDOUS. In consideration for being permitted to use the Bag Jump, I agree to ASSUME ANY AND ALL RISKS OF INJURY OR DEATH which might be associated with or result from using the Bag Jump and any activities preparing to use the Bag Jump (including training or other types of physical activity).

I understand that participation in the Bag Jump involves many risks, including but not limited to, collisions with other participants and spectators, collisions with natural and man-made objects, configuration of the Bag Jump, varying weather and visibility conditions, varying snow and terrain conditions, terrain park type features, performing maneuvers (inverted or otherwise), the acts of other participants, and all risks associated with participation in training, lessons, competitions and special events.

I understand that I will encounter various manmade and natural terrain features during my use of the Bag Jump. I further understand that using the Bag Jump may result in my body becoming inverted (either deliberately or involuntarily) and that inverted maneuvers may result in injury or death. I understand that I must inspect the elements, terrain, and Bag Jump before I ski or ride over them to evaluate the risks and degree of difficulty before participating. I understand that the Bag Jump cannot insure my safety when performing maneuvers. I am solely responsible for knowing and understanding my ability to use the Bag Jump. I understand that throughout the day snow conditions and terrain features will change.

HELMETS ARE REQUIRED. I understand that no helmet can protect me from all foreseeable impacts or injury. However, for maximum protection, the helmet must fit snugly and the retention system must be fastened securely at all times.

In consideration for being permitted to use the Bag Jump, **I AGREE TO RELEASE FROM ANY LEGAL LIABILITY AND AGREE NEVER TO SUE** Boreal Ridge Corporation, Powdr Corporation, Auburn Ski Club, or any of their parent companies, subsidiaries, owners, employees, agents, landowners, or The United States of America Department of Agriculture, Forest Service (collectively, "Boreal") for injury or death resulting from my use of the Bag Jump, regardless of the cause, including the alleged **NEGLIGENCE** of Boreal. I further **AGREE TO DEFEND, INDEMNIFY AND HOLD HARMLESS** Boreal for any claims, lawsuits, damages, attorney fees, costs or judgments arising out of my use of the Bag Jump.

I UNDERSTAND THIS IS A RELEASE OF LIABILITY THAT IS VALID FOREVER. I understand that this **RELEASE OF LIABILITY** will prevent me, my child, or my heirs from filing suit or making any claim for damages in the event of injury or death from my use of the Bag Jump. Additionally, in the event I file or my child or any legal representative files a claim or a lawsuit arising out of my use of the Bag Jump, **I AGREE TO DEFEND, INDEMNIFY AND HOLD HARMLESS** Boreal for any damages, attorney's fees, or costs arising out of such a claim or a lawsuit. With a full understanding of this agreement, I nevertheless enter into this agreement freely and voluntarily and agree that it is binding upon me, my child, my heirs, assigns and legal representatives.

I hereby authorize the use and reproduction of my image and/or likeness by Boreal and its authorized representatives, without compensation or restriction. Photographers executing this agreement understand that images they take at Boreal may be used by Boreal, at any time, regardless of date used.

I understand and agree that this agreement is severable and that if any clause is found to be invalid, the balance of the agreement will remain in effect and will be valid and enforceable. I agree that any action will be brought in the County of Nevada, State of California, or alternatively, in a court of competent jurisdiction in the State of California.
